“ I may be posting this a month later but I was walking my dog and not seeing his car in the parking lot really just made it hot that he's never coming back. Don was my neighbor for years and while we didn't talk much, I always appreciated his presence. From how him keeping his heat on all the time kept my room hot to seeing him smoking on the back stairs, there was always just his presence. I may not have been a friend or family of his, I may not have known him as well as anyone else, but he will always be in my heart. I still clean off his mailbox, I still watch out for rocks on the stairs, I still expect him to be there when I get home only to remember that's not happening. He will forever be missed.

“ My sincere condolences to the Ruta family. I've known Don since our high school days and was very sorry to learn of his passing. We enjoyed our trips to Rocky Neck, Cape Cod, and Washington D.C. for the bicentennial. He was interested in air travel and we visited many airports and even attended the opening of the National Air and Space Museum. In recent years he kept me updated on his doings, expressing pride in his daughter and grandkids. Eternal rest grant unto him O Lord, and let perpetual light shine upon him.
