“*Lou, Jane and I are sorry for the loss of your mother. I know she meant the world to you. You were a very devoted son. I remember the reason i met you was because you moved back to CT to take care of her after she broke her hip in 2000. Sorry this is late but i just found out. May she rest in peace, Bob*

“*I had the pleasure of working with Doreen while she was a long-term substitute in fifth grade at Hubbard. My son, Sebastian, was one of her students during that time. He is also deeply saddened by the news. Doreen will be greatly missed by myself and all of the Hubbard School Staff. We will keep her family in our thoughts and prayers.*

“*My entire family is so saddened by this loss. Ms. Messier was a substitute at our children's school and more recently served as Danyella's long term substitute. She is as disheartened by the loss of this wonderful lady as we all are. Rest in peace, Ms. Messier--you will be missed.*

“ First grade is not an age I can remember a lot from, but I do remember how much I liked Mrs. Messier. I remember calling her "mom" by accident, and she didn't embarrass me about it. I remember feeling scared for her the day one of our classmates tried hurting her with a chair. She kept calm and helped keep us calm. I am sure she did so much more for us. She was the only teacher that my older sister and I shared. After 1st grade, my mother always requested different teachers for me than what my sister had. As a parent now, I see what that truly meant. She liked and trusted Mrs. Messier too and that always had an impact on me.
