“ I was so saddened to hear of Doris's passing. She and Joe were such good friends to me and my late friend Peter Canova. We spent many days fishing together and enjoying good times. She was a fun-loving lady and always had a good word for everyone. I last saw her at Joe's funeral and thought she looked wonderful. Sending love and best wishes to the family. Rest in peace, Doris. Your journey has just begun.

“ Dear family and friends:

Years ago, when our family lost my sister, Kathy, at the age of 13, Doris sent a lovely letter to my Mom, sharing the wonderful hope for the future. We kept Doris' letter until my mom passed away. Years later, I found Doris' letter to my Mom and realized that out of all the cards and letters we received, the only one that was kept was the letter from Doris. It was such a touching and profound message and no doubt touched my mom's heart and it was a great comfort to her. Years later, I would meet Doris, in the New Britain Congregation as I was learning more about the wonderful hope for the future. Doris became a dear friend and my spiritual sister. She was loving, happy and had an infectious laugh. Her love for her husband and children was obvious. I looked to her for encouragement and she readily gave it. Just as much as I want to see my sister again, I long to see Doris again and I look forward to that day when she will answer the call and will awaken in paradise to be reunited with her loved ones. Every day, we will miss her until then. My deepest sympathy to all who knew and loved Doris.

Cheryl, please stay in touch, my prayers are with you and your family.
