“ Mom, You are a special Mom, friend and person. You taught me so much and I am so grateful for all that we had as a family. You gave me a wonderful brother and sister. They have both been my rock since you went to join Dad. I know that you are at peace now cause the last few month were so very hard for you. We are all going to get through the Holidays cause I know you will be there with us in spirit. Keep us in your heart as you will always be in mine. Love you Mom.

“ The most vivid memories that I have of Doris and my Mom,Irene Colapinto,was laughter. When they were together is seemed almost contagious! As a young girl and growing up through the years, even though we didn't get to see your family often, there was always a funny story to tell when we were together. I am so glad to have known Doris and will miss her. I know that Irene and her are back together, laughing and having a grand old time!
