“ *Sad to hear of Dottie's passing. She was a nice lady. I met her and her husband Ed at Berensen's Hartford Jai Alai, and after Ed's passing she continued to work and remained a part of our core group in our area, as we looked out for one another.*

*Well, now she's rejoined Ed and I'm sure he was waiting on her and happy to see her....rest in peace Dottie.*

“ *Dear Patty and Elise and family.  
I am very sorry for your lost. She was such a special person and a great friend to me and my family. I will miss her very much. I will always remember working with her and talking to her during her time in Maryland. During your lifetime you have a few good friends and she was one of mine. I will always remember her and how great her daughters took such great care of her especially during these last months. I will pray for you and your family during this difficult time.
