“ I worked with Dorothy since she first arrived to Belair, we always
talked and she always made me laugh with her little jokes. I will
never forget how thoughtful she was, always making it a point to ask
about my family. I will always remember Mrs. Varano and her Cheeto
puff fingers it was a pleasure getting to know you. ❤️

“ Dorothy was such a wonderful, sweet, caring, and a very funny
person. We spend a lot of time together. She loved going outdoors
in the summer right under the sun. Oh and how she loved her
snacks. Bit Dorothy always remembered to ask how I was feeling
and how my children are. I was truly blessed with the time I had with
her. Don and family I am so sorry for your loss. Love you all
