“*My friend Chewy! Who would have ever thought that name would stick. You will always hold a special place in my memories as a real, true friend with a heart of gold. The old adage may be true.... the good die young and the bad live a long time. I will miss you, my friend.*

“ Hey I'm Jesse Alicea, I've known Doug for 15 years. And we became friendly automatically, he was that easy to get along with. we both loved Star Wars and Star Trek, and we've been waiting for a Darth Vader movie to come out for sooo long lol. We had so many great conversations about movies and cars his family as well as mine. I'm really short and when he saw me struggle he was quick to reach out because he was always reaching out. He was a super guy, and he will be missed. I pray God bless his family and give them strength and peace through these sad times. Rest in peace my friend, I'll miss you!

“ I started working with Doug 24 years ago. Doug made friends easily and I never heard him say a bad word about anybody. Doug was always willing to help anyone out. He was dedicated to his work and a very good friend. I will miss him, he made a impact in my life and I didn't even realize it until now. Rest in Peace! Doug your friend, Pete
