“ I was sorry to hear of Ed's passing. He was well liked at CW by clients and staff. He brought a unique sense of humor and he will be missed.

“ I will miss you, Eddie. You gave me my first tattoo, that started my enjoyment of ink art. Went on to get a few more. You were a great tattoo artist and I thank you. It was also fun to party with you at family gatherings. Now you get to party with all of our relatives that have passed on before us. Say hello to them all. You are now at peace and free of illness and any pains. I love you, Cousin Eddie. We shall meet again and raise a glass.....

“ " ones spirit will never die in the heart of a true friend"
So many memories growing up with Ed, first memory of him throwing pebbles at me over the fence, his way of flirting when I was ten, lol, hanging out and talking till the wee hours on summer nights as teens , then when Ed went in the Navy, writing to him everyday to keep those chat sessions alive, to me he was a great friend and these memories will always stay in my heart! Wish we never lost contact over the years, may he be at peace, and my sincere heartfelt condolences to his family ...
