“ *My heartfelt sympathy goes out to Ed's family. I worked with Ed at St. Joseph's Church on the Parish Council and had many conversations with him. I will always remember him as a pleasant man who was always around to help.*

“ Ed was our across the street neighbor. We lived here for about 4 yrs. We will miss his caring nature. He was always interested in how big "the boys" were getting. My 2 yr old son, Joe Joe would always say "Hi Ed" and watch him intently as he worked on his yard to make it look so perfect and manicured. We would always joke that his grass was always the greenest and my husband would always have this internal competition to get our lawn to look as good as his!!! Ed was always there for a nice conversation in the yard and he will be greatly missed! I said to Joe Joe who is going to turn 3 next week, "what would you like to say to Ed", he responded "i love you Ed".
