“ *We feel blessed to have had Ellie and Ernie as part of our lives. When we first moved to Morris we remember one day seeing an older couple walking up our driveway...It was Ellie and Ernie stopping by to visit as they were touring about Litchfield County. It was the first of a number of times that we were fortunate enough to have them visit our home. They always had a funny story to tell and happy smiles to share. Ellie will be missed and lovingly remembered.*

“ Dear Ernie,
Although I will not be at the service tomorrow, my thoughts are with you and your family. My Mother is the same age as your Mother. Now that I am 62 I better understand what Psalm 119:19 means with "I am here on earth for just a little while". We can take comfort knowing that your Mother is now in a better place. Sincerely,
