“ To my extended family, the Nelson,
My loving memories of Ellie will be with me for ever. The day she adopted me as
one of her many loving children, was the best day of my life. My life has parallel
hers in so many ways. We've lost the person, but not her love and soul. That will be
with us always. Some people, no matter how old they get, never lose their beauty-
they merely move it from their
face into their hearts. I will cherish
my time with her all my life. To this
loving family, Al, Luke, Cherly and Karen, my sincerest sympathy. I know she is
happy with the Lord. My thoughts and prayers are with you all.
God Bless

“ My memories of Eleanor and Al go back to that late 80's when they welcomed me into their church family at First Lutheran. I returned each week hoping to see them, they were very supportive as time went on & I got married and had kids. Eleanor was a dear woman who enjoyed socializing and she always showed interest in my family. I could also see that Eleanor was a wonderful mother & wife, just by getting to know her daughters & Al at church. Even though I haven't seen Eleanor in a long time, it gives me great assurance to know she is with our Lord right now, very comfortable and happy.

With deepest sympathy to Al & his children/grandchildren & prayers,
