“ So very saddened to hear of the passing of my dear friend Betty. I knew her for most of my life and it is difficult to imagine her not in it, but I choose to celebrate that she was in it. Betty and Gene (Mr. K) always treated me like a son, and that is something I will always be grateful for and never forget. Betty's kindness showed every day in how she treated others. She was in a class by herself. Thinking of Betty and Gene just makes me smile. My sincere condolences to the Kopycinski and David families
