Tribute Wall

“ *My Sweet Ellie, I will forever miss you! I thank you for all the years you gave me to serve you and Bill at New Britain diner. I remember the day that I brought you your blueberry pancake (only 1)with whip cream, strawberries and a side of bacon. I remember your face the first time I put a heart with the whipped cream over the pancake, you didn't want to eat it because it looked so pretty. Or dancing with you to the Christmas music. I'm so glad you got to spend your life with your love Bill, who took so good care of you. Till we meet again. I leave you to sleep with the angels.*
