“ *June,
I know that Haley and Dana will miss my brother very much, but I know how much more you will miss his loving gruff voice, his sparkling eyes, and his hearty laugh. You were everything to him and he loved and cherished every moment he had with you, and I know he continues to look down on you and me and his princess Haley and her mom Dana.
May your heart and soul be comforted with the memory of his love, and knowing that God loves you more.*

Love always sister,

Richard Earl Flood
