“ I'm very sad about Eugene's passing. I worked with him at the Defense Personnel Support Center from 1984 until he retired. He was part of my family, from then until I moved from South Philadelphia where Eugene resided. We worked together in the same office. He taught me all I knew there. My sons and I were very close to Eugene. He still was a steady visitor to me, as we lived close by to each other. We were very very close, and he stuck by me in hard times and good. I'm sorry I never got to see him before his passing. Everyone at our place of employment knew Eugene and I and my sons were very close! Words can never express how I feel about his passing. I could go on and on about this wonderful man. He loved art and music, he loved my cat Kieka. As I said I could go on and on about him. My grandchildren knew him, and he was very good to them. He also attended my son Anthony's wedding. He was so very good to me. It's very difficult for at this time. He was truly very very special to me. I am missing him. I send my regards to his family. I miss his funny and serious ways. My sons are deeply saddened also. I miss you Eugene. Rest in peace my friend.
