“ I have thought about you many times. We had a good relationship at one time but unfortunately it wasn't meant to be for us. We did remain friends for a while and you were there for me when I needed you. We lost touch when I moved out of the area and I wish I would of tried to keep in touch with you. You always had a place in my heart ❤️. I just really wish I could find out what happened to you but I have asked a couple people but no response. R.I.P. Freddie. Love ❤️ Michelle L
