“ was always in awe of Mr. Luke...I remember him showing us the proper form for pole vaulting...he must of been in his early 30's and in full clothing with pipe clenched in his teeth easily clearing the bar at 10 feet..you could tell as a athlete he had been special..RIP

“ I always felt very welcome at the Jarush home, and remember playing board games with Mrs. Jarush there in the kitchen; watching and laughing at how we played and urging us to play again and again. She was a grand lady and will be missed dearly.
