“ I have many happy and warm memories of Aunt Flo as a child; she provided a fun time on our occasional trips to Florida and I was always excited to see her and Jimmy. She was always ready to accommodate us and was very lively and pleasant to be around. Therefore, I express my deepest condolences to all those who must suffer through this tragic time, however we all must recognize and know that Aunt Flo still lives on with us in memory and heart. God bless her soul, for she was a gentle one.

“ To: Jim, James, Debra, Kim & Family:

*Our thoughts & prayers are with the Tracy family with love as we remember Flo at this time of loss.*

*There are so many wonderful memories over the past several years that we wouldn't know where to begin; but one memory that stands out from the rest is back in 2000 when we had made plans to go to Florida with Jim & Flo during vacation week in April!*

*Jim & Flo had just bought a new house in The Villages & we were joining them in going down for the first time to set-up their "New" home.*

*We had a full week of many laughs as we moved furniture, set-up beds, hung curtains etc. to get the house ready to occupy! Flo had retired from her job & so had Jim & they were so anxious to spend time in their new retirement home.*

*During Flo's time in FL & CT, Flo had enjoyed so much spending time in both places during holidays & family gatherings with her children, grandchildren, & great-grand kids!*

*Flo was a very caring person who loved to cook & work on her crafts! She will be missed by all!!*

*Our deepest sympathy, Deanna & Peter*
