“ *Frances was my cousin whom I loved dearly. We grew up together along with her sister, Ann. We had a lot of fun together and I miss her very much.*

“ *Please let me extend my sympanthy. I was so saddened to hear of your family's loss. I knew Fran from South Church. We always had wonderful conversations during coffee hour, and her eyes always sparkled a bit more while talking about her family. May your happy memories bring a smile back to your face once again. I will remember Fran fondly.*

“ *You do not know me but I was your mother's hairdresser for many years when she lived in New Britain. She was such a kind, soft spoken and gracious woman. She lived a good life and always talked about the great children she had. You have nothing to feel sad about. You were wonderful to her and made her proud. My thoughts are with you and I will always have fond memories of your mom. Larry Cadrain*
