“ When I saw your mother's name in the paper, I was thinking of you and your wife. I can remember the times that we had when I started in Little League. It was a pleasure seeing your wife Silvia at the Farmington High Basketball Game. Sorry for your troubles and you and your family are in my prayers.

“ Lynn, A mother is a most treasured gift from God to us. Try to remember that when a baby comes into this world it is transition from one form of life in the womb to another. It's the same in death, we transition from one form of life on earth to our eternal life with God. We'll all be together again.

God Bless you & your Family,
