“ *I was introduced to Frank a couple of years ago by my friend Peter S. He came to mine and my daughter's homes to work on our grandfather clock. He was such a knowledgeable, gentle and humble man. I found he was of "old school" - demonstrating honor, respect and family is #1. They don't make them like that anymore!*

“ It’s sad that we lost such a Great Person who made such a Positive Impact on Us at the N.B.P.D. as well as the Community in New Britain.

We all have so many memories of how Good of a Guy as well as Kindhearted Frank was to us. He always tried to help where he could from cooking at events, fixing a clock, etc. I personally will never forget how much it meant to Frank to be able to donate his time so he could cook every year for the N.B. Police Explorers Christmas & Awards party. Frank wanted to make sure the kids and their families would have a Wonderful Experience that they could Always Remember.

Rest In Peace Good Friend. You’ll be Missed.

Let Our Prayers be there for Him and his Family.

“ 25 years ago I met Frank at a clock auction in New Hampshire. That’s when our friendship started. His love of clocks and also mine bounded a remarkable knowledge of clock repairing. There wasn’t a challenge to great. We were always there to help each other. I am positive that if there’s a clock in heaven Frank will find it. Good by my friend and rest well till we meet again.

“ Sorry to hear of Frank's passing. I worked with him on the NBPD 3rd shift when we were both patrolman. He was always a good partner to have when handling calls. We partnered up quite a few times in the old Car #8 the Emergency Wagon. He was always fun to be around. That was a long time ago, always enjoyed seeing him at the annual Game Dinners at the VFW talking about the times we were on the PD. Ziggy

“ I had the pleasure of befriending Frank during his time at EC Goodwin. Wonderful man, with a heart that knew and cared about people. I always felt this quality came full force from the immense pain he shouldered, from an accident on Corbin Avenue. I'm sad for all of you who love him and will miss his spirit. Actually, he'll probably be around you all more , now. I believe that. 🙏🌹
