“ I was fortunate to have met Frank many years ago at Raffas Restaurant where Frank was a waiter.His cheery disposition endeared him to my Husband and myself,we asked for him on every visit.Frank and I enjoyed a mutual love of theatre,chatting about the latest Broadway show.I missed him after he left Raffas,but we would chat on occasion to catch up.I learned he was ill during one of our chats.I happened to see him a few months ago at Long Wharf with a friend.It was obvious he was failing,we exchanged a few words especially regarding the show we had just seen.I told him I hoped we could get together again,we didnt.I am saddened at the loss of this lovely man cheerful I am sure till the end.May he rest in peace with his beloved Mum.

“ Frank has been a "park" friend of mine for many years.I first met him with his dog Boris.I am also a nurse who works at Brittany Farms where Frank spent his last days.When I realized he was a patient at the facility, I went to visit him. He was so happy to see me.I last saw him on Saturday 7/22/06.We had a great time together as always.I am so glad that I went.I happened to be working the nite that he became ill and I was heartbroken.I am still heartbroken.He was a wonderful man. He was so friendly,caring,loving,and funny!We used to have such great conversations!I know that I not only speak for myself but for all of his "park" friends when I say that he will be terribly missed. I will remember him everytime I walk my laps.So long friend. My heart goes out to George and family.

“ Stan and I will never forget what a wonderful, kind and friendly person Frank was. We got to know him years ago when he jogged in the park . The last few weeks we got to know him better. He said we "felt like family." I will always cherish the memory of him enjoying the Luna Pizza he requested! The next time he said he might like a "double cheeseburger-no ketchup" and a "diet drink." The next time was not meant to be. My son, Stan and sister, Dottie, will always remember him.

“ I was so surpriced to see Frank's name today. I have know him thru walking at the park, I will always remember him first with his dog & the frisbee, then him with his mother walking, then right to him with his walker. He was a very friendly person. I will miss not seeing him in the park. My prayers are with you. He will be missed dearly.
Sincerly, Bonnie

“ I have lived next door to Frank and George for over 40 years. There will never be another Frank, he was truly one-of-a-kind. A gentle, kind spirit who loved everyone and was always lots of fun. I have years of great memories with him that I'll cherish, and will miss him terribly.
