“ Frank: I wanted to offer you condolences on the passing of your father.

I have lived in New Jersey for the past 25 years but had a chance to see the New Britain Herald and your dad's obituary notice.

I hope all is as well as can be expected for you at this time.

*Best regards,
Bob Gregory*

“ Chucker, my old friend, I am so sorry to hear that your Dad has passed on. I came across his obituary when looking for Florence Levesque, our neighbor who passed this week also. I remember that your Dad was a very big influence on you, and you were named after him. He will now be in heaven with friends and family and you will remember him always. I hope you are all doing well. I remember all the good times we had! Mary
