“ *Mrs. Palczer, Nicole, and Theresa,*

I just learned about Mr. Palczer passing, which I was terribly sorry to hear. I know it's been some time since I've seen or spoken with you, but know that I've always remembered and cherished my experiences with all of you and Mr. Palczer. He always treated me with respect and kindness, despite his seemingly gruff exterior. I always knew he had a kind heart. I'm certain you miss him and wanted to send my regards.

*With Love,
Mark*

“ *We send our deepest sympathy for your loss. These past years talking to Frank and the few visits with our kids was most enjoyable and informative. Our son Adam still remembers when he was young, and Frank letting him play with the little trucks in your living room. Frank always had "great" facts and stories to share with them, making for an interesting and humorous visit for them and us. Making any one of the recipes that Frank had shared with us from CMP days will certainly bring him to mind. Our thoughts and prayers for all your family.*

“ *my sincere sympathy to the Palczer family on the loss of your husband and dad. I remember growing up with all of you playing baseball and football in the Luce's back yard with Joe and Scott. Time moves on and we all go our separate ways but when I go visit my mom and dad I still recall those wonderful times.*
