“ *My lasting memory of my mom's sister "Aunt Gail" is her visit to mom Caliope, when in the new britain hospital when she was terminally ill. On saying goodbye from her bed, my mom just grabbed ahold of Gail and kissed and kissed her face repeatedly. As a saying goodbye in this life. How precious thar memory & the love they shared as sisters. They had been through many hard times through life. Thank You Ellen for bringing your mom to say goodbye to my mom. My sincere sympathy to all the family.*
