“ Dear Audrey, I was so sorry to learn of the passing of Uncle George. I know we haven't spoken in years but I think of both of you often and recall all of our times together with great happiness. I know how difficult this passage will be for you and will keep you in my prayers. Much Love, Dell Marie

“ I am not a relative of George's, but he was a Dad to me. I did not work for George, I did work with him. He was a Girl Scout and so was I. George was a part of Alpha Mu, a special group of people, a kind of family. We shared many good times together and those memories of Sprague and Yankee Trails will not fade. When planning a wedding you invited your immediate family then Alpha Mu and if there was room left you would invite extended family and friends. George called my daughter Melanie, Granny, we called him the Great Maw-Moo or friend. By the way, he finally knows where his glasses went.
