

George E. Johnson

December 14, 1948 - September 26, 2024

George E. Johnson, 75, of Granby, son of the late Edward and Sophie (Makula) Johnson, passed away Thursday (September 26, 2024) at St. Francis Hospital in Hartford. Born in New Britain, a graduate of Pulaski High School, class of 1966, he graduated from Central Connecticut State University with a Master's in Chemistry. George joined and proudly served the United States Navy after college. When he came home, he started his career as a Chemical Engineer for Combustion Engineering and later for Aetna and Traveler's Insurance before retiring.

Surviving is his brother, Robert Johnson of Middlebury.

A funeral service for George will be held Thursday (October 3, 2024) 11 AM at Carlson Funeral Home, 45 Franklin Square, New Britain followed by burial with military honors in Fairview Cemetery, New Britain. Calling hours will be held Thursday morning from 10 AM until the time of the service at the funeral home. In lieu of flowers, donations in George's memory may be made to Connecticut Foodshare, 2 Research Parkway Wallingford, CT 06492. Carlson Funeral Home, New Britain, is assisting the family with arrangements. Please share a memory or note of sympathy at www.carlsonfuneralhome.com

“ I worked with George at the Travelers IH Lab in Windsor. He was a good guy, knew his chemistry and many lab customers asked for George by name for help/advice with their lab analysis needs. My condolences and prayers for him and his family. Debra MacDonald

I just learned of George's passing. My deep sympathies to his family. He was an extraordinary lab chemist and his advice was heavily relied upon. His voice was unmistakable; he really should have gone into radio! He was the nicest colleague. May his memory be for blessing. I was blessed to have him as a business partner. Philip Platcow
