“ My condolences.

*I believe Georgina may have been my father, Richard Coathup's, cousin. His mother was Jeannie McColl. If Georgina was his cousin, they seemed to be close.*

*We moved to Australia in 1961. I have pics of Georgina and me (baby). My grandmother was Jeannie McColl, she married Stanley Coathup.*

*If you think I have the correct person, I have an extensive tree and pics. Other names connected with the McColls, Elliott, Brown, Boyle, Gallacher, McClure. My DNA is on Gedmatch and MyHeritage, regards Jean Coathup, email - villasoka@gmail.com*
