“ To Gloria's family,

How time flies. I can clearly remember Gloria as such a lively employee at Travelers in the old SMU Unit. She had a sense of humor, was dedicated and just an enjoyable person to know. I was just a kid then I'm retired now but she is still so memorable to me. I did not work for her but with her and I learned a lot from her about the health business and am so sorry to see she has passed away. I can remember Fred, too, I think at company parties. They were a great couple. My sympathies to her family. I know you will miss her.

Most sincerely,

Linda Manning
