“Gloria was a warm caring person. Her smile and pleasant personality made sunday worship a very pleasant experience. She has been missed and truly cared about.  
My first thought was "now God has his ushers together again".

*Know please she was loved and will be truly missed.*

“Gloria was a fine woman. She will be sorely missed. I didn't know her very well but what I did know about her, from First Lutheran, was that she was a very compassionate and good person.
