“ On behalf of the 1959 graduating class of NBHS we would like to express our sincere sympathy to the family and friends of Gloria. As our classmate and fellow graduate we will remember her with fondness. Our class shared many experiences that still remain as vivid memories. We especially share Gloria's fondness for music and remember what an important part of our life this was and continues to be. Our reunions still celebrate this very important aspect of school life and when we gather we will continue to remember these experiences. Pat (Lepito) Karwoski, VP Class of 1959
