“ Eric and Nancy. So sorry of your moms passing. You both know how much Auntie Grace meant to me. Our 1-2 hours talks on the phone at least once a week. We laughed and laughed each time. We were always reminiscing about something as I joined this family with my marriage to Eda's son Jeff. She was always telling me about a recipe on the phone that I wanted to try. So many memories of her delicious foods. She was one fine lady. We love you Auntie Grace and you will be missed but always remembered. Hugs. Jeff and Diane Johnson

“ Dear Eric, I just heard of your moms passing. She was a wonderful friend to my mom, especially in their later years. I always enjoyed talking with her on our visits to Connecticut. May she rest in peace at the serene setting in East Berlin next to your dad and my parents.
