“ I was so shocked to see that Greg passed away. I worked at Northeast Utilities and would see him on the job. He was always friendly and pleasant and I enjoyed seeing him. I now work at the Berlin movie theater and saw him a while back and we had a nice chat catching up. My condolences to his family and I hope that you will be able to remember good times with Greg to help you through this rough time.

“ Greg was a close friend when I was growing up in Berlin and a fellow 1974 graduate from BHS. We hung out a lot together during those days and I have many fond memories of our time together. I am glad I got to see him a couple times over the last few months. He was a good friend with a good heart and I will miss him.

“ Greg and I developed a special bond during his illness. Taking him to his doctor's appointment I always had the oldies station on the radio and we would sing along to the Doors and Steve Miller Band. He loved music, life and his family. His brother John was very kind and helpful to him. He wished for a miracle for Greg, but God had plans for Greg. He will be missed. RIP Greg. Love Janet and Jake

“ Our thoughts and prayers are with you over the loss of Greg. He was such a humble and passionate person. Having grown up in Berlin Congregational Church there was always a special bond with Greg. He attended game night before Christmas and we had so much playing the game he taught us. We will miss him so very much. God Bless. John and Dianna (Bergenholtz) Orvis
