“ I knew Hanna for many years. We played Bingo together every Thursday night at MIA. Once MIA closed we didn't see each other as often but every once in awhile bump into each other. I have been pretty sick lately and cannot attend the services today. I wanted to let the family know that my heart goes out to you. Your mom was the nicest woman I have ever met. I always looked forward to seeing her at Bingo and felt the loss when there was no more Bingo. I will truly think about her everyday. I just said to my daughter on Monday how we needed to give Hanna a call and meet up with her one night at Bingo. She said she would call her this weekend. Then on Tuesday I went to the Eastside for a birthday party and found out the saddening news. I am truly sorry and she'll be truly missed by so many people.

“ Dear Ricky,

What a shock it was to pick-up the morning paper and see your mom's picture in the obituary column. We are so very sorry for your loss. She was a great lady who will be sadly missed by all who knew her. We remember her fondly each time we went to the East Side restaurant. She would always take such excellent care of us. May all the wonderful memories you shared with her and your family throughout the years provide comfort during this difficult time.

With deepest sympathy,

“ I am so sorry and shocked about your mother, her and I go way back to the 1200 House Restaurant, where we use to waitress. We used to have a lot of fun. Matter of fact I talked to her a while back and we said we were going to get together for lunch. Please tell me what happened the last thing I new she was waitressing and hostessing at East Side Restaurant.

“ When I got the news yesterday of Hanna's passing, I said the first rosary since losing my mother three years ago. My heart just bled for Debbie and her boys and the rest of the family. But as my mind cleared I couldn't help thinking how happy Hanna would be to be reunited with so many dear friends who had gone before her: Barb. C., Dottie, Ruthie and her husband. I had the privilege of working with her for many years...she actually trained me 17 years ago! And for about the last dozen or so we were supposed to win the lottery together and retire. I just hope that holidays are celebrated in Heaven...Hanna was always decked out for every event, not just the decorative jewelry she wore, she'd also have treats for her regulars: candy canes for Christmas, chocolate hearts for Valentine's Day, Halloween and Easter candies. She worked right up until just a few weeks ago, and could still clear and reset faster than girls a third of her age! She was one of a kind and will be sorely missed by her “second family” down at the East Side. My deepest condolences to her family and friends, Beth Doiron

“ I met Hanna a long time ago. She played Bingo with my mother at MIA. They sat next to each other for over 20 years every Thursday night unless someone had something to do. I remember when Hanna would come with her mother and then with her brother. She was the nicest woman. My wedding shower was held at Eastside so that she could attend because she had to work. I mailed updated pictures of my daughter to her just so that she could see the progress she was making. I will miss Hanna very much. I know that she is now with all her loved ones that have already passed on. She talked about her family every chance she could especially her grandchildren. She was a lovely person inside and out. I am truly sorry for her family's loss.
