“ I have so many memories of Hannah May, lots of visits home, happy family parties, antique hunts, cinema trips and the last time she was home my Mum, Hannah May and I had a trip to Portobello and a wander along the beach. The love between cousins is strong and deep, leaving memories to treasure and keep.

“ We always thought of you as our aunty not our cousin. You and my mum Hannah Garner, were more like twins than aunty and niece. We loved to sit at a family parties and listen to the stories of times gone by, pinching flowers for Aunty Cathy & Granny Garner, causing trouble in school, going to the dancing and sharing a twin pram as babies.
We loved the songs, the smiles and the tears. Forever in our hearts.
God rest you Hannah May. ❤️
