“My Dear Mother-In-Law,
I just wanted you to know what a special person you were and how much you are going to be missed. I couldn't have asked for two more wonderful people to be my in-laws than you and Dad, had I hand picked you myself. I love you both very much and always will....

“I lived across the street from the Abucewicz family for nine years before going into the service. I went to high school with Kathy. They were good people, good neighbors, and good friends. On behalf of my family, please accept our condolences.
