“ Our sincere sympathy to you and your family in the loss of your Mother. We have many fond memories of Ray's Market. The friendliest grocery store in the city of New Britain. No computers just add the items on the brown paper bag. Not to forget when the siren of the firetruck was coming Ray would run out and stop the traffic. Oh so many fond memories of a great couple. Sincerely from all of us: Barbara, Eleanor, Maureen, Rosemary McNamara

“ Sending my sympathy and empathy in the loss of your mother, Hildur. This sad period will eventually be taken over with fond memories that are cherished for life. I always remember going to Ray's Market with my dad & seeing both parents sharing in store's responsibilities - happy times!

*With deep sympathy to you & your families. Sincerely, Sandy*
