“ Karin,
I am very sorry to hear of the passing of your mother.

I have fun memories of the three of us ice skating on Square Pond and your Mom driving us to the mall for shopping. And of course, your Mom's dream for you to be a Rockette.

Please accept my condolences.

“ Karin and Rodney, the funeral service today was beautifully done, and I know that your mother would have been pleased. Having lived across the street from her for fifty-plus years, I shall miss seeing her working in her yard always starting early in the day. In the last decade or two, she's been my inspiration for how to live an independent life as an ageing widow, taking pleasure in the little things of everyday existence. I hope I can measure up to her example.

“ So sad to hear of Aunt Ingrid's passing.
Was glad to have visited her when I was back in Connecticut several times. I will miss her. My deepest sympathy to all her family.
