“ Glenn, Joni, Nancy & "Kids",
Auntie Renie, later just Rene will never be out of my heart! Let it suffice to say that she knew me before I knew me! She loved, she lived and times with her were well spent. Her lust to live life, even in sickness is an accomplishment you should know was because of the love she received from all of you! Know you are thought of and loved and Renie will live forever in your hearts as well as in mine!
Lots of Love, Your Cousin, Andrea

“ Dear Joni, Nancy, Glenn and Joyce, and family.....please know our thoughts and prayers are with you all. I will always remember Irene for her grace, deep and strong faith, her laughter, and her determination. She loved you all and Herb tremendously. She was one of the most genuine people I have ever had the pleasure of knowing. Guess that is where you all get it from! That is a great gift! May many wonderful memories, your love for her and each other, and your faith...help you in the days ahead. Sincerely Denise and Jim McNair

“ Glenn, Joni and Nancy.....
Too much time has passed...
Please know that you all are in my prayers as well as your mom.
The most vivid recollection I have of your mom was her ability to
laugh. I can picture her at a gathering with family just having a
grand old time laughing and having fun. That laugh was genuine,
that laugh will be missed by us all....
Sincerely,
Mark
