“ *It is a very sad heart that I find myself writing this. Although it has been several years since I have spoken with Jack, it would seem like no time had passed if i saw him today. His friendship and Love for all his friends was timeless.*

Please accept and hopefully feel my deepest and utmost sadness and condolences in your loss. Your dad was a very good man and a gentleman. Hopefully Timberlin will allow planting the plants that we sent in his memory.

“ Dear Nielsen Family-I was so sorry to see your dad's name in the paper. The loss of a parent is never easy as we are always our parent's child. I have so many wonderful memories of both your parents and all the good times we had at Svea club. Those were good times. If I would have to pick just one memory of your dad, it would be that he always called me Mabel. I guess it started when he couldn't remember my name one day. Kept calling me Mabel just to tease me. Take care of yourselves in this difficult time. God Bless.
