“ My Uncle Vinny had a sister named Julia Margerelli, who is up in heaven greeting him at this time. She was left out of the Obituary. My Mom Julia was the most caring sister there ever was and she never stopped worrying about her brother Vinny. I will miss my uncle dearly he always made me laugh, he sure was a real character. But I am very happy to see them reunited again in Heaven....

“ Those of us who grew up with, went to school with and hung around with Vinny as we all knew him share the grief that is felt by his family. Vinny was warm, caring and generous person when we were in school and he was a good friend. I lived in the house owned by his Mom on Lawlor Street and Tony used to let me drive his car when I lost my license. Vinny was often the topic of discussion at the coffee shop where I hung out as he had made many friends while he was a carpenter and also had quite a reputation as a tradesman. You can take some comfort in knowing that his memory will linger forever in the hearts of many who knew him. I regret that ill health keeps me from attending the services but I felt it imperative to express my feelings to his family.
