“ *I am so sorry to have learned the news that Uncle Jim had died. I do regret to say that I learned the news of his death to late. I would have loved to have seen so many of the relatives that I have not seen in such a long time. I do hope that you are all Ok and once again I would like to offer my Sincere Sympathy to all of you. I have a wonderful fond memory of Uncle Jims mother . When I was a little girl probably under the age of 5 she made me the most beautiful light blue sparkly skirt. I still remember that. I will also remember Jim's beautiful smile and his happy light hearted way . Love to you - Nancy*

“ *Our deepest sympathy and love to Ellie, Joan and family.*

Jim will always remain in our prayers and hearts as will all of you. I remember Jimmy showing up to lift my spirits through out my life. Early one November morn in 1959 while I was waiting to join the USAF, Jimmy showed up, wishing me well and giving advice I carry with me even now. The times we spent talking when we both worked at Fafnirs and then there was time I woke from my first angeogram only to see Jimmy who started to feed me lunch that had been left by my bed. And last but not finally there was the time Jimmy drove my wife to see me after my first heart surgery even though he wasn't feeling that well himself.

With love and fond memories, his godson Richard and wife Gloria.
