“ Dear Family and Friends of Jane Wry,
As my brother and parents said, all of us Morgensteins have wonderful, cherished memories of Aunt Jane and all the surrounding family. We spent many a Christmas Eve in the Wry living room with their beautifully decorated Christmas tree and always got a visit from Santa. I remember going to fun picnics and playing bocci ball in Aunt Jane and Uncle Howard's back yard on summer and fall weekends while I was growing up. Aunt Jane and Uncle Howard always treated us like family and were cherished friends to my parents. We hope the wonderful memories of Aunt Jane and the long, loving and fulfilled life that she led help you through your loss. With love and sympathy,
Jill, Bryan and Jordan Ray

“ Caring, loving, a wonderful friend, a person who loved her family and proudly, she was my "sister" even though not by birth. Jane was "Aunt Jane" to all of our family and we loved her very much.
We had met Howard and Jane back in the mid 1960s at a Lions'Convention in Groton, CT. What was a chance meeting became a cherished friendship . We shared many wonderful picnics and dinners at their home. Most Saturday evenings we enjoyed going out to dinner together, went to Lions Club events, traveled with them to NYC,Chicago, San Francisco and Montreal, Canada and on one occasion went to Boston just before Christmas. Jane and Naoma went to Fileen's to shop and decided to look in the basement area...we laughed so much hearing Jane telling about the happenings there. We shared her birthday date...it was also our anniversary and we celebrated many times together; We also enjoyed many New Years Eves celebrations with them.
One of our great joys was accomplishing a surprise dinner for Jane and Howards anniversary at the "Rib Room" in Hartford,CT. As we were driving to go to dinner, Howard decided that he would like to go to a Greek Restaurant. Usually, we would agree, but emphatically we both said "No" that we wanted to go to the Rib Room. We totally surprised them when they finally saw many of their friends all sitting together in the back of the room. A rare accomplishment ...they usually gave the parties and no one had ever surprised them before. It was a wonderful evening.
Sadly, we will miss Jane, but will continue to cherish the many wonderful memories we have of her, her smile, friendship, humor,caring and her love.
Our love and sympathy to you all.

“ We are sadden to hear of Aunt Janes passing. We hold her dear in our hearts. Aunt Jane was a very loving person. I can't think of Aunt Jane without thinking of Uncle Howard "Santa Clause"...I remember we were always welcomed in their home. The frist thing that comes to my thought is how Uncle Howard was always happy and Aunt Jane always wore a smile. In our hearts they will be forever remembered for the love they shared and how welcomed they made us feel. I know Uncle Howard and Anut Jane were not my blood family, but then again all it takes to make a real family is love. May God be with you all. Love Scott & Linda Morgenstein
