“ So sorry to hear of Jeanne's passing. I worked with her for many years at CBT and she was a vibrant person with an energy level that surpassed anyone I have ever known! I'm sure she will be greatly missed by her very extensive family and circle of friends. My sincere condolences.

“ I was sorry to read of Jeanne's passing. She had a good long life with a loving family. Jeanne talked often of her children and grandchildren when she had Deana and I and our children up to Charlestown for a ski weekend. We also had many good laughs when we worked together at CBT. She was a very special lady as was your dad a special man.

*With deapest sympathy,
Peter Richard*
