“ Dear Bob and Kenny,

We are deeply sorry about the death of your mom. Al has many fond memories of her when we were kids and we used to play on Arch Street. Many times we would go up to your house and she was always nice to us.

We are sorry we cannot attend the wake but we are already committed for tomorrow morning. We will send a donation in your mom's memory to the South Church.

“ Dear Bob and Ken:

We will also miss Jennie not quite as much as you because we still remember how her and jack adopted these four boys that lived by a lake during the last year in college. She and Jack made them feel like they were part of their family. To this day we still remember the cookouts in their back yard and how delicious the kabobs tasted. With deepest sympathy for you loss.

Love
