“ *Such wonderful times with the Merciers...There were those high school years when I would be hanging with John most every day. I felt a part of the family. What a card player was Mrs. M. No mercy at all! Good thing we didn't play for real money, or I would still be mailing payments. I am forever grateful for the times we had. My deepest sympathy to you all. I know Jenny had a wonderful life and she will always live on in our collective memory.*
