“ Dear family of Jennie,

Not a day goes by that I do not remember her smiling face. She lived a wonderful long life with a loving family. She enriched my life with her gracious manner and aging. Always a pleasure to see her in the office. The recent death of another with same name reminded me of Jennie. Her daughter Elaine was a valuable resource to her mother in all facets of life. I am dealing with my own 92 year old father and there are always alot of issues. The lessons patients and families taught me over the years are helping me now.

*With best regards,
Ron Pariser*
