“ *To: Johnny Badal's family.
I will always remember Johnny. He was a wonderful human being.
He was one of the many who made our dealership the success that
it was. I last saw him at my brothers Joseph funeral. I was very glad
to have had the chance to thank him personally for all he did for me.*

“ *To Johnny's family,*

*Our thoughts and prayers are with you. The Puskarz Family thought
the world of Johnny. He was a dedicated and capable Service
Manager as well as a wonderful human being. It was great to see
him at our dad's funeral earlier in the year. We were able to
reminisce about the old days when we used to spend a lot of time at
the garage and Johnny would help to keep us entertained and
occupied. He also was one of our best customers when we were
selling Girl Scout cookies. A true gem of a man! We extend our
deepest sympathies to all the family.*

“ Dear Johnnie,
What can I say? Your father was a great man. I can't point out one thing
but I know I am honored to have known
him all my life. I can picture him
sitting in the backyard under the
apple tree talking with my father or
sitting in your grandmothers backyard
talking with my mother and your
grandparents and uncle Ray or
the friendly banter back and forth with
us kids or going to see him at the
garage for advice on what to do with
a car that was having a problem.
Yes Johnnie he was a good man and will
always be in our hearts.
I know you had a special bond with him
and you will miss him terribly but
always keep in mind the great memories
you have of him and it will help to
heal.

“ *Dear John and family,
Your Dad was a wonderful man. He always had a smile on his face.
When I was a little girl, he made me feel so special. He was the
most honest and best car mechanic! Whenever my Mom or Dad
had car problems..John was always there. May he now get the rest
he so deserves!*

My deepest sympathy to all of you.

Fondly,

Debbie
