“ I am writing to express my condolences for the loss of John. I worked with him on the Capital Region Crime Squad 1975-1976 . He was one of the best drug officers I ever met. I always felt safe when I worked with John because he was a true professional , we did what we had to do but he was never fool hardy. John's passing is not only a loss for your family but also a loss for anyone who knew or worked with John. My prayers are with you. Thomas McKee Police Cmdr.ret. Glast. Ct.

“ I was a classmate of John's when we attended the police acadamy in September to October of 1972. He was a kind man who helped me thru some difficult training issues during that time. Without his help I might not have graduated. I have never forgotten it. Im sorry to hear of his passing.
