“ This Poem dedicate to John.

*To Those Whom I love & Those Who Love Me
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears, But be thankful
we had so many good years.*

*I gave you my love, and you can only guess. How much you've
given me in happiness.
I thank you for the love that you have shown, But now it is time I
traveled on alone.*

*So grieve for me a while, if grieve you must, Then let your grief be
comforted by trust.*

*It is only for a while that we must part, So treasure the memories
within your heart.*

*I won't be far away for life goes on.
And if you need me, call and I will come.*

*Though you can't see or touch me, I will be near.
And if you listen with your heart, you'll hear, All my love around you
soft and clear.*

*And then, when you come this way alone,
I'll greet you with a smile and a 'Welcome Home'.*

“ Dad this week has been so tough. Ive been strong for you and me and everyone else. Thats how you raised me, to be strong and I am. I sit and think of the great times we spent and I smile and laugh and those memories I will always cherish. You have raised kelly and I to be strong, independant, heart filled woman. I couldnt have asked for a better life. You will always be with me in my heart, smiling down on me and I know u will make sure im kept safe. Make sure you tell everyone I said and we will all reunite when the time comes. Rock the heavens and play that funky music! I can see you now playing your air guitar! I love you daddy!

We are going to miss your voice, laughs and always wanted to kick our butts but you can't take away our memories we had with you daddy. That would be in our hearts and I know that you will be with me all the time, every second of the day being my guardian angel. I love you daddy so much ! God bless you and tell everyone in heaven I said hi and I love the family too. Hugs and kisses . Love always your babygirl Kelly
